Complete this in both ES Level 1 and ES Level 2

If the values shown in the contact column for a candidate do not match the values in candidate_details.telephone OR candidate_details.email

candidate_mst.email != candidate_details.email

candidate_mst.phone_no != candidate_details.telephone

then... When user clicks the 'Edit' icon in the contact column

[+1 \(310\) 448-4327](#)
kevingarcia328@jobsr

Edit Candidate

Phone:

+1 (310) 448-4327

[+1 310-484-3270](#) was pulled from resume. [Update](#)

Email:

kevingarcia328@jobsram.com

[Kevingarcia328@gmail.com](#) was pulled from resume. [Update](#)

Update

In the edit candidate window, display what is in 'candidate_details.telephone', with an update button.. Like this

In the edit candidate window, display what is in 'candidate_details.email', with an update button.. Like this

Edit Candidate

Phone:

+1 (310) 448-4327

[+1 310-484-3270](#) was pulled from resume. [Update](#)

Email:

kevingarcia328@jobsram.com

[Kevingarcia328@gmail.com](#) was pulled from resume. [Update](#)

Update

If user clicks 'Update'...

Edit Candidate

Phone:

+1 (310) 448-4327

[+1 310-484-3270](#) was pulled from resume. [Update](#)

Email:

Kevingarcia328@gmail.com

[kevingarcia328@jobsram.com](#) was used to apply. [Update](#)

Update

...switch what is in the 'Email' or 'Phone' field, with the value that was pulled from the resume...

Edit Candidate

Phone:

+1 (310) 448-4327

[+1 310-484-3270](#) was pulled from resume. [Update](#)

Email:

Kevingarcia328@gmail.com

[kevingarcia328@jobsram.com](#) was used to apply. [Update](#)

Update

...and insert text below the field that says "{candidate_mst.email} was used to apply" with an update button.

Edit Candidate

Phone:

+1 954 466 9318

Email:

christapherhamml@gmail.com

Update

If the values shown in the contact column for a candidate DO match the values in candidate_details.telephone / candidate_details.email

candidate_mst.email = candidate_details.email

candidate_mst.phone_no = candidate_details.telephone

Then do not display the text below the phone and/or email fields
