

Song of the month app wireframes document

1) Create new account

The wireframe shows a mobile app interface for creating a new account. At the top, the status bar displays '09:52 AM' and signal icons. Below the status bar is a white header with the title 'New Account'. The main background is dark purple. In the center is a large yellow circle containing a dark purple musical note icon. Below this, the text 'Create a username to share your favorite songs with friends' is displayed. There are three input fields: 'Username', 'Password', and 'Email'. Below the 'Email' field is the text 'Used only for registration purposes and signing on.' At the bottom is a button labeled 'Create an Account'.
