Comcast Digital Voice, cont.

The Regulatory Recovery Fee (RRF) is a Comcast service charge imposed on voice services to recover Comcast's contributions for federal, state and municipal regulatory programs and assessments, including, without limitation, universal service. The RRF is neither government mandated nor a tax or fee imposed on you by the government, but is an amount that Comcast retains. The aggregated fee may vary based on service usage patterns and program surcharge rates, and may change over time.
